

Should I send my little one to school?

Would you have kept them at home before COVID-19?

Yes

Keep your little one at home.

Check for signs of COVID-19.
They do NOT need a COVID test.

If you would normally seek medical advice, continue to do so.

If your little one gets better

They can go back to school for some super-fun times!

Keep your little one at home

Contact 119 or visit www.gov.uk/coronavirus to arrange a COVID-19 test.

Inform your school.

Your little one and everyone in the household must self-isolate until you have the results of the test.

If your little one becomes unwell, contact NHS 111, your GP or out-of-hours services.

No

Do they have at least one of the following?

1. A NEW continuous cough?
2. A fever (over 37.8°C on a thermometer)
3. Loss or change in sense of smell?

No

If your little one is otherwise well with a mild illness...

they can go to school as normal and play with their friends!

Yes

If the test is POSITIVE or you were unable to arrange a test...

Your little one must stay home for at least 10 days from the onset of symptoms.

If the test is NEGATIVE and the temperature has gone for 24 hours...

Your little one can go back to school for some top notch learning!
